

MEDIA RELEASE – 10 OCTOBER 2014

SPRING FG LIMITED – ONEVUE PLATFORM AGREEMENT

Diversified financial services company Spring FG Limited (Spring FG or the Company) has entered into a new Private Label Partnership agreement (Agreement) with ASX-listed wealth management services company OneVue Limited (OneVue).

Under the terms of the Agreement OneVue will provide and operate an integrated investment administration and tax & reporting platform for Spring's superannuation and direct asset clients.

Spring managing director Keith Cullen, said, "The platform will provide our clients with asset administration via an online service that, after an extensive review of platform options we consider to be the best available in the market today".

"In particular, with more than \$300M of residential real estate assets under advice, we were attracted to the property asset administration capabilities of the system", added Mr. Cullen.

OneVue Head of Platform Strategy, Sales & Service David Storm said, "Unlike traditional platforms, OneVue has a core capability in administering the cash flow elements of direct residential and commercial property which was clearly critical to Spring's decision on platform provider."

Spring and OneVue expect to have the platform fully operation within the next month.
