

## **MEDIA RELEASE – 23 FEBRUARY 2014**

### **Spring Financial Group – Senior Management Appointments**

Diversified financial services company Spring FG Limited (Spring FG or the Company) today announced two new senior management appointments at its wholly-owned subsidiary Spring Financial Group Pty Ltd (SFGPL).

#### ***New State Manager – Victoria SFGPL***

Mr Stefan Vadamotoo has been appointed to the role of State Manager – Victoria of SFGPL.

Spring FG managing director, Mr Keith Cullen, said “Having dedicated the better part of a decade to tertiary and post-graduate education prior to joining SFGPL in 2012, Stefan holds Bachelor of Economics and Bachelor of Applied Finance degrees, as well as a Diploma in Financial Services”.

Mr Cullen added, “Across his studies and his career Stefan has focused his efforts on mastering the most cutting-edge investment strategies and financial markets and economic theory. Having been a founding member of our Queensland advisory team, and more recently State Manager – Queensland, he has extensive hands-on experience in providing clients with tailor-made financial solutions through assisting them in articulating their goals, and turning those goals into actions”.

Mr Vadamotoo will take up his new role effective 1 March 2015.

#### ***New State Manager – Queensland SFGPL***

Mr Michael Oren has been appointed to State Manager – Queensland of SFGPL.

Mr Oren, who joined Spring FGPL in 2012, is currently a senior adviser with the company's Queensland advisory team. He holds a Master of Commerce degree and a Diploma of Financial Planning.

Mr Cullen said, “As a Master of Commerce and an early inductee to the Company's Graduate Recruit Program, Michael has continued to develop and refine a sound technical understanding of investments, financial products and markets through his career and further education”.

“As one of our most successful graduates Michael embodies the Company's *Fresh Approach* to financial services”, added Mr Cullen.

Mr Oren will take up his new role effective 1 March 2015.
